

Eurovision Sweepstake

in support of

Cruse Scotland

Bereavement Support

**Enjoy the show, have lots of fun...
and offer hope to those struggling to
cope following the death of a loved one.**

It's that time again - the world's biggest, annual singing competition is back!

We hope this pack will help add to the fun and excitement, whether you are hosting a party at home or looking to get everyone at work in the mood for Eurovision!

By splitting the funds received, you will offer a generous prize to the winner and can also make a donation to Cruse Scotland in their name - helping us to keep our vital bereavement services free and accessible to children, young people and adults.

How to play:

- First of all you must decide if you can sell all 37 countries competing for a place in the final, ahead of Semi Final 1 at 8pm on Tuesday 7 May, or if you would prefer to include just the 26 finalists who will be known after 10pm on Thursday 9 May.
- Next, decide the price of each country - we recommend £5 per place
- Agree the winner's prize. If you sell 37 countries at £5 each, you will have £185. That could mean the winner would receive a cash prize of £92.50 and you can donate the other £92.50 to Cruse Scotland in their name (details on page 4)
- Cut out the countries listed on page 2, fold and pop them in a hat and each time someone makes their payment, they draw one at random. Keep a note of who chose each country on page 3.
- Don't forget! If you want to run the sweepstake with just those who make it to the Grand Final on Saturday 11 May, you will need to remove the other 11 countries who do not make it past the Semi Final stages!

Cut out the countries below, fold, and pop into a hat. Once you have received a donation from each participant ask them to pull a ticket at random. Don't forget to keep track of who has which country by writing their name on the chart overleaf.
